***Independent Auditor's Report******Board of Directors  
International Care Ministries  
La Plata, Maryland***

We have audited the accompanying financial statements of International Care Ministries (ICM-US), which comprise the statements of financial position as of May 31, 2014 and 2013, and the related statements of activities and changes in unrestricted net assets and cash flows for the year ended May 31, 2014, and the ten months ended May 31, 2013, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# CLARK NUBER

## *Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ICM-US as of May 31, 2014 and 2013, and the changes in its net assets and its cash flows for the year ended May 31, 2014, and the ten months ended May 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

## ***INTERNATIONAL CARE MINISTRIES***

### ***Notes to Financial Statements***

***For the Year Ended May 31, 2014 and Ten Months Ended May 31, 2013***

---

#### ***Note 1 - Organization***

**Organization** - International Care Ministries (ICM-US) is a nonprofit organization whose primary goal is to free the poorest of the poor in the Philippines from physical, emotional and spiritual bondage. ICM-US provides donations of cash and goods to support the strategic programs of International Care Ministries organizations located in the Philippines and Hong Kong. These programs enhance the lives of more than 100,000 men, women and children (unaudited) each year in thousands of slum communities across the Philippines. ICM-US was organized in 1999 and is governed by a board of directors located in the United States and Hong Kong that is independent of International Care Ministries entities located in the Philippines and Hong Kong. Therefore, these financial statements reflect only the activity of ICM-US.

#### ***Note 2 - Significant Accounting Policies***

**Basis of Presentation** - The financial statements of ICM-US are presented on the accrual basis of accounting. Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of ICM-US and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed restrictions.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed restrictions that will be met either by actions of ICM-US or passage of time. ICM-US has no temporarily restricted net assets at May 31, 2014 and 2013.

Permanently Restricted Net Assets - Support received in the form of endowment or sustaining funds which can never be spent. ICM-US has no permanently restricted net assets at May 31, 2014 and 2013.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets and liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled or the stipulated time period has lapsed) are reported as reclassifications between the applicable classes of net assets.

**Revenue Recognition** - Cash contributions are recorded as revenue in the period received, in accordance with donor restrictions. ICM-US currently has no promises to give (pledges), which would be recorded at fair value in the period the promise is received, in accordance with donor-imposed restrictions.

**Cash and Cash Equivalents** - Cash and cash equivalents consist of cash on hand and a checking account. Cash balances generally do not exceed federally insured limits during the year.

**Investments** - ICM-US received contributions consisting of preferred and common shares of a privately held company during the year ended May 31, 2014. The shares were recognized as contribution revenue on the date received at their par value, which approximates fair value. Because there is no active market for the securities, management elected to recognize an allowance for the entire value recognized for the securities. Therefore, this investment does not appear on the statements of financial position. ICM-US has no outstanding commitments with regard to this investment at May 31, 2014.

## ***INTERNATIONAL CARE MINISTRIES***

### ***Notes to Financial Statements***

***For the Year Ended May 31, 2014 and Ten Months Ended May 31, 2013***

---

#### ***Note 2 - Continued***

**Gifts-in-Kind** - ICM-US receives gifts-in-kind (GIK) of rice and soy protein meal from several donors located in the United States. ICM-US contributes the goods to an organization located in the Philippines. In accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and in consideration of Accord GIK Interagency Standards, ICM-US recognizes GIK revenue on the statements of activities and changes in unrestricted net assets in the period received at the fair value of the GIK based on current estimated wholesale prices. Program expense is recognized in the period the goods are shipped to the Philippines. GIK shipments in transit at the end of the accounting period for which ICM-US has assumed responsibility are recorded as GIK supplies on hand on the statements of financial position. Because the GIK in transit has been awarded to the organization in the Philippines, the shipments in transit are also recorded as GIK payable on the statements of financial position

GIK contribution revenue and related expense totaled \$3,003,005 and \$1,852,335 for the year and ten months ended May 31, 2014 and 2013, respectively, and are reflected on the statements of activities and changes in unrestricted net assets.

**Concentrations** - For the year ended May 31, 2014 and ten months ended May 31, 2013, 66% and 79%, respectively, of ICM-US' total revenue was in the form of GIK received from two donors. Approximately 17% of cash contributions were from one donor for the year ended May 31, 2014, and 12% of cash contributions were from three donors for the ten months ended May 31, 2013. Gifts from board members totaled approximately \$45,000 and \$75,000 for the year and ten months ended May 31, 2014 and 2013, respectively.

**Federal Income Tax Status** - The Internal Revenue Service has determined ICM-US to be a not-for-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal income tax has been made in these financial statements. ICM-US files income tax returns with the U.S. government and is subject to income tax examinations based on the applicable laws and regulations.

**Functional Allocation of Expenses** - The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and changes in unrestricted net assets based on the benefits derived by program and management and general activities.

**Use of Estimates** - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect amounts reported in the financial statements. Actual results may differ from such estimates.

**Change in Fiscal Year End** - ICM-US changed its fiscal year-end from July 31 to May 31, effective August 1, 2012. These financial statements reflect the activities of ICM-US for the ten month period from August 1, 2012 through May 31, 2013 and for the year ended May 31, 2014.

**Subsequent Events** - ICM-US has evaluated subsequent events through December 1, 2014, the date on which the financial statements were available to be issued.
