

JOB OPPORTUNITY AT ICM

International Care Ministries (ICM) is looking for a caring, highly motivated person to play an important role in our ministry. ICM serves the poorest of the poor in the Philippines: people who struggle to survive on US\$0.5 a day. Since 1992, ICM has helped hundreds of thousands of people rise from the bondage of poverty through a unique training program that addresses values, livelihood and health issues.

National Social Worker

Responsibilities: Plan ICM's Social Work activities, and create policies related to Community Development and Social Work. Ensure compliance to DSWD guidelines, and manage Social Workers/Community Development Workers in the provinces in alignment to ICM's programs and organizational structure. Promote ICM's mission and values in field work and assist the bases in their local documentary compliance and requirements. Review and develop strategies to improve the effectiveness of Social Worker function in the bases, as well as build relationships and relevant Social Worker training for staff in the provinces.

Requirements: Licensed Social Worker with bachelor's degree in Community Development or Social Work. Minimum two years working experience preferably in a non-profit environment. Experience in creating policies, planning, execution, problem solving. Preferably a team player with high attention to detail and flexibility to change. Excellent communication skills in English, Filipino and preferably Ilonggo and/or Cebuano.
