

JOB OPPORTUNITY AT ICM

International Care Ministries (ICM) is looking for a caring, highly motivated person to play an important role in our ministry. ICM serves the poorest of the poor in the Philippines: people who struggle to survive on US\$0.5 a day. Since 1992, ICM has helped hundreds of thousands of people rise from the bondage of poverty through a unique training program that addresses values, livelihood and health issues.

Research Assistant (Research/Metrics Team)

Responsibilities: Looking for two qualified Research Assistants for 6 months to assist in merging multiple datasets into one large dataset in a format ready for analysis.

Requirements: A Bachelor's degree with a strong quantitative background (economics, statistics), Proficiency in data analysis software (R or Stata strongly preferred). Experience in data management and data cleaning. Excellent verbal and written communication skills in English. Fluency in Tagalog, Bisaya, or Ilonggo an asset but not required, willingness to frequently travel to Visayas and Mindanao, flexible, team player, and able to manage multiple projects simultaneously with strong Christian values.
