

WE ARE HIRING!

ICM 

JOIN OUR GROWING TEAM AS

PHILIPPINE DIRECTOR OF HEALTH OPERATIONS (MANILA-BASED)

JOB SUMMARY:

The Director of Health Operations oversees general management and performance of the ICM health programs, including the Transform Health, Flourish Network, Medical Case Program, and vertical projects that integrate into these ongoing health programs. As a specialist in Public Health, s/he is expected to strategize on the most focused, effective, and efficient means of delivering the ICM health programs to ultra-poor families by identifying barriers and implementing outcome-driven improvements. S/he is responsible for sourcing and maintaining partnerships with public and private institutions.

QUALIFICATION:

- Commitment to ICM's ethos and faith background as a Christian.
- Public health professional or practitioner with postgraduate degree required, preferably in public health. Relevant experience in managing public health programs, preferably community-based or primary care level.
- Minimum of 5 years experience in a Project Management role (or other related roles).
- Supervisory, leadership, and coaching skills and experience with demonstrated knowledge
- Excellent communication, data analysis, task management, record keeping, computer proficiency and problem solving skills.
